Prayer For The New Year

*Thank You Lord for giving me
this brand new year ahead.
Help me live the way I should
as each new day I tread.
Give me gentle wisdom
that I might help a friend.
Give me strength and courage
so a shoulder I might lend.
The year ahead is empty;
help me fill it with good things
and fill each day with joy
and happiness. Amen.*

Virtue of the Month:

Patience

Patience is quiet hope and trust that everything will turn out well, even when it is now difficult. It is also showing acceptance of ourselves and others when mistakes are made. To be patient, is to be like God who never gives up calling us to love him, and walk in His way.

Thank You Catholic Women's League and Parent Council

Thanks to the Sacred Heart CWL and our Parent Council for providing our student body with a delicious Turkey dinner on December 20th. Thanks to the many volunteers who gave freely of their time.

Wishing you and your family all the best in 2018! May God continue to bless our School Community in the year ahead.

Bus Cancellations

Winter weather is here.

In the event of inclement weather, please listen to our local radio stations for bus cancellations or check the website: <https://www.mybrucegreyschoolbus.ca>

Fundraising Thank You!

Parent Council would like to thank everyone for their support of our fall fundraisers. The Little Caesar's Fundraiser made a profit of \$1230. The Elmira Poultry and Harriston Meats Fundraiser raised \$1621 and the Lantz Popcorn Fundraiser made \$200.

Fifty percent of the profits have been allocated towards class trips and the other fifty percent is going into playground improvements and supporting the Christmas luncheon. Thanks for your ongoing support of our school.

Science Fair

Science Fair will be an optional activity at Sacred Heart School this year. However, the school will support any student wishing to complete a project to enter the Bluewater Regional Science Fair in Owen Sound on April 11th. Science Fair rules and information can be found at www.brstf.org. If your child plans to complete a science fair project, please contact Mr. Kuntz so that we can ensure your child is properly registered for the Science Fair.
